YEE-HAW. IT'S A CELEBRATION 25 YEARS IN THE MAKING. JOIN US FOR A

# WESTERN ROUNDUP

WITH CONTINUING EDUCATION HOURS

This program is approved for 12 hours (8 on Thursday and 4 on Friday) of Kansas Respiratory Continuing Education, by the Kansas Respiratory Care Society, a chartered affiliate of the AARC. All participants are required to sign-in for each morning and afternoon session and can pick up their certificates of attendance at the conclusion of the seminar. Prorated education hours may be obtained each day for those participants leaving prior to the end of the conference. Hays Medical Center is approved as a provider of continuing nursing education by the Kansas State Board of Nursing. This course offering is approved for 12.0 contact hours (8.0 hours on day one and 4.0 hours on day 2) applicable for RN or LPN re-licensure. Kansas State Board of Nursing Approved Provider Number: LT0021-1138.. No money will be refunded to participants who leave early.

# ACCOMMODATIONS

A block of guest rooms are available at the Days Inn hotel for \$54.95 plus taxes. The deadline for reservations is September 14, 2011.

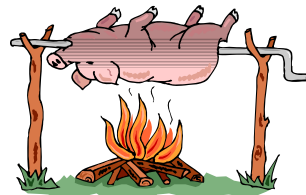

Days Inn  
3205 Vine  
Hays, KS 67601  
(785) 628-8261  
[www.daysinn.com](http://www.daysinn.com)

A number of hotels and restaurants are located nearby and within short walking distance. You can check <http://www.haysusa.com/html/accommodations.html> for more information on the individual hotels.

# VENDOR RECEPTION

The Vendor Reception will be from 1630 to 1830 on Thursday following the lectures. A Whiskey Creek Barbeque will be provided along with beverages and door prizes. You must be present to win the door prizes. Admission requires your seminar nametag or a \$25.00 fee. ID will be required of all who partake in alcoholic beverages.

# THE ENVIRONMENT

The temperature is difficult to control. For your comfort we suggest you bring a jacket. No smoking is allowed. We request that you turn your pagers and/or cell phones to vibrate or off. This is an adult learning environment; therefore, children are not allowed at the conference.

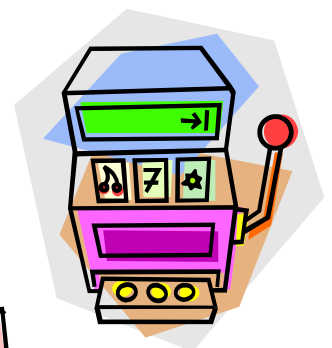

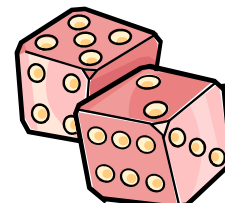

# ENTERTAINMENT

To cap off your night and for additional entertainment "Casino Night" will take place from 6:30 to 8:30 pm on Thursday following the Vendor Reception. Gaming "money" and additional door prizes provided. A cash bar will be available for those participants 21 years of age and older.

# VENDOR RECOGNITION

It is through the generous contributions of vendors that we are able to provide this seminar. The vendors help offset the cost of speakers and special events such as the vendor reception, and entertainment.

Be sure to thank your sales representatives.

# OBJECTIVES

At the end of the presentations, the participants will:

1. Recognize age implications for eye donation and list some medical conditions which result in deferral.
2. Understand the impact of negative pleural pressure swings on cardiac physiology during obstructive sleep apnea and understand the interaction of chronic pain therapy and sleep disordered breathing.
3. Discuss the consequences of sleep deprivation and disruption in the hospital, the role of sleep and its impact on ventilator care and post-operative management.
4. Describe current AARC activities, patient advocacy updates, and KRCS activities.
5. Learn ten timeless life skills that will maximize your real net worth.
6. Home Medical Speaker
7. Identify four goals of home NIV, identify home NIV candidates, and explain the use of NIV in chronic respiratory insufficiency.
8. Identify the normal capnography waveform and discuss variations in the waveform based on the patient's cardiopulmonary status. Describe the application of quantitative waveform capnography in the monitoring of patients in various clinical areas.
9. Describe the health care status in Ghana and the future of respiratory therapy in Ghana.
10. Discuss basic cerebral hemodynamics, the effects of mechanical ventilation and suctioning, and the transport and extubation of the TBI patient.
11. Identify barriers to adequate pain relief and describe persistent pain causes and symptoms.
12. Understand the definition of obesity hypoventilation syndrome, recognize clinical features, and describe different treatment options.
