# Spotlight on CEUs

This program is approved for 12 hours (8 on Thursday and 4 on Friday) of Kansas Respiratory Continuing Education, by the Kansas Respiratory Care Society, a chartered affiliate of the AARC. Approval of 10 CRCE by the AARC is pending. All participants are required to sign-in for each morning and afternoon session and can pick up their certificates of attendance at the conclusion of the seminar. Prorated education hours may be obtained each day for those participants leaving prior to the end of the conference. No money will be refunded to participants who leave early. Nursing CEUs pending.

# Spotlight on Registration & Cancellations

Advance registration is encouraged to avoid long lines at the door and to receive the early registration discount. You have the option to take advantage of our on-line registration. It is quick & easy. Or if you prefer you can fill out the registration form on the KRCS website, print it off, and send it to the address listed on the form. Advance registration must be postmarked by September 13, 2014.

A full refund will be granted to those requesting a refund prior to September 12, 2014. A cancellation received after September 12, 2014 will be subject to a \$30.00 processing fee.

The content of the conference is subject to change without notice

Registration Website Link: <http://www.kracs.org>

# Spotlight on the Environment

The room temperature is difficult to control. For your comfort we suggest you bring a jacket. No smoking is allowed. We request that you turn your pagers and cell phones to vibrate or off. If you must take a call or text be courteous of your peers and step outside the conference room between speakers to make your call.

This is an adult learning environment; therefore, children are not allowed at the conference. Thank You!

# Spotlight on Vendors

## Vendor Recognition

It is through the generous contributions of vendors that we are able to provide this seminar. The vendors help offset the cost of speakers and special events such as the vendor reception and entertainment. Please be sure to thank your sales representatives!

## Vendor Reception

The Vendor Reception will be from 1630 to 1830 on Thursday following the lectures. Snacks and beverages will be provided. You must be present to win door prizes. Admission requires your seminar nametag or a \$25.00 fee. ID will be required of all who partake in alcoholic beverages. **NO EXCEPTIONS!**

## Acknowledgements

The KRCS wishes to extend its appreciation to the following companies for their support of this seminar. Without their financial support and speaker support this seminar would not be possible.

*Lincare*

*Break Sponsor*

## Entertainment

Thursday night following the Vendor's Reception, join us from 2000 to 2200 for a repeat performance of the band Triple Thorn, in the Stadium Club at the conference Center. Relax, dance, and visit with your fellow RTs across the state.

# Spotlight on Accommodations

The Ambassador has reserved a block of rooms for us. There are several other motels in the area that are close to the Ambassador.

# Spotlight on Objectives

1. Discuss aspects of flight physiology.
2. Discuss requirements of a flight crew.
3. Discuss home maintenance of asthma and the treatment of asthma in the hospital.
4. Discuss the use of "SWOT"
5. Review current ELSO registry data including cannulation, indications, complications, and outcomes of ECMO.
6. Discuss HMC experience with ECMO as a resuscitative tool for respiratory failure.
7. Define the change formula and discuss the need for transition.
8. Discuss changes in the RT world today and identify ways to find motivation during times of change.
9. Understand the change in sleep for shift workers and the health risks of shift work.
10. Encourage the development of sleep hygiene guidelines for shift workers.
11. Understand the myth of snoring as a sign of deep and restful sleep.
12. Discuss sleep apnea associated with medical conditions and how starting oxygen is not "Job Done" for treating sleep apnea.
13. Understand that licensure is separate and distinct from an academic degree or diploma.
14. Know the licensure law for your jurisdiction.
15. Discuss how licensure boards can take public or non-public action, disciplinary or non-disciplinary action against a license. Understand who decides whether or not a license is disciplined and how that decision is made.
16. Describe the implementation process used at HMC and the community collaborative to help reduce readmissions and the interventions involved to improve care.
17. Discuss the implementation of an evidenced based smoking cessation Model and how smoking cessation can improve patient outcomes.
18. Understand the definition of comfort care and the interventions associated with life support withdrawal.
19. Discuss how nutrition can effect the COPD patients' quality of life.
