

Kansas Respiratory Care Society

A Chartered Affiliate of the American Association for Respiratory Care

January 25, 2019

Dear Company Representative,

The Kansas Respiratory Care Society cordially invites you to participate in the 42nd Annual Education Seminar. The Seminar is planned for April 4 and 5, 2019 at the Wichita Marriott Hotel and Conference Center, Wichita, KS. The 2018 seminar in Manhattan was attended by over 200 Respiratory Therapists and over 30 exhibitors. This seminar is an excellent opportunity for you to interact with department directors, educators and therapists from throughout the state.

The exhibit area continues to be a popular part of our annual seminar. Food and refreshments are provided during the exhibit time. We have arranged for exhibit space to comfortably accommodate over 30 exhibitors. The vendor exhibit area and reception will be held on Thursday, April 4th from 11:35am – 1:35pm, with lunch served to seminar participants and participating vendors.

The exhibit fee is \$425.00, which includes display table, table drape, hotel set-up charge, and one electrical outlet. Two exhibitor badges will be provided per exhibitor table. If additional badges are needed, please note the additional fee. One Vendor representative per paid table may earn CEUs, if seminar requirements are met.

A registration form and additional information are attached. Please make note of the sponsorships available to your company. This is a great opportunity to highlight your company and make new contacts.

Registration may be completed and emailed to me. The registration form and payment options will also be posted at www.kracs.org. For any additional information, please feel free to email or call.

The KRCS looks forward to your participation!!

Sincerely,

Jeff Suderman, RRT, RCP
