

**“Racing to Number 1”
KRCS
29th Annual Educational Seminar**

Welcome racing fans to the 29th Annual KRCS Educational Seminar May 10-12, 2006 in Topeka, Kansas. We have two days of professional racing to inspire all RT’s from novice to the most seasoned drivers. Be sure to visit the “Pits” Exhibit Hall on Thursday afternoon where the latest in racing accessories can be found then cruise on into the “Checkered Flag” dance Thursday evening for your after-driving relaxation.

Race On to Number 1!

Julia Downs
2006 Education Committee Chair

2006 Education Committee

Suzanne Bollig
Mark Brady
Regina Chard
Brandee Clark
Judy Lesiak
Terri Lesser
Gudi Pryor
Karen Schell
Susan Thomas

Objectives

Upon completion of this seminar, the participant will be able to:

1. Discuss key ways to build a positive, professional work environment that enhances recruitment and retention.
2. Discuss the key in applying evidenced based respiratory care in the work environment.
3. Identify changes that can be made through advanced settings and graphics for ideal patient and ventilator synchrony.
4. Discuss the key role of the bedside respiratory therapist in the management of COPD.
5. Discuss the clinical and economic challenges of antibiotic resistance
6. Describe what lung protective ventilation techniques are readily available
7. Discuss the impact of legislative and regulatory issues on the professional practice of Respiratory Care
8. Discuss the mechanisms and pathophysiology of traumatic airway and thoracic injuries and describe the techniques used by the Respiratory Therapist to manage patients with acute traumatic airway and thoracic injuries.
9. Describe the respiratory therapist role in pharmaceutical research.
10. Describe the respiratory therapist role in the Hospice care setting
11. Discuss the rationale for implementing a rapid response team in your facility
12. Identify the most common indoor environmental health problems that affect patients with respiratory health concerns.
13. Demonstrate a working knowledge of the different types of pulmonary clearance techniques available.

- 1315 **“Keeping Up with the Gordons: Rapid Response Teams 24/7”**
Susan Thomas MHSA, RRT
- 1415 **“Environmental Assessment: An Innovative Addition to Respiratory Care”**
Kevin Kennedy CIE
- 1515 **“Pulmonary Clearance: Getting the Most Out of Your Patients”**
John Hester RRT, RPFT & Special Guest
- 1600 **Adjourn/Evaluations**

Special Notes

Content of seminar may change without notice.

Environmental temperatures may vary. For your comfort, a sweater or jacket may be appropriate. As a courtesy to fellow participants, beepers or pagers should be put in silent mode or turned off during presentations. Children should not be brought to the seminar.

The Kansas Respiratory Care Society’s Continuing Education Evaluator has approved this program for six hours per day for a total of 12 hours of CRCE credit. AARC CRCE approval pending. All participants are required to sign in each morning and afternoon session and can pick up their certificates of attendance at the conclusion of the seminar. Prorated CRCE’s may be obtained each day for those participants leaving prior to the end of the seminar. No money will be refunded to participants who leave early.

HOTEL

A block of rooms has been reserved for KRCS "parking" at \$89.00 per night, plus tax at the Capitol Plaza Hotel, 1717 SW Topeka Blvd, Topeka Kansas. Please state you are attending the KRCS conference to get the discounted rate. Unused rooms will be released after 4/18/06. RESERVE NOW!!
Call 785-431-7200 for reservations.

GOLF TOURNAMENT

For those of you who enjoy "driving" of a different sort, the annual golf tournament will be held at Western Hills Golf Course 8533 SW 21st Topeka Kansas. T-times begin at 1030. Green fees, lunch, 2 drink tickets and prizes provided.
Cost \$50 per person. Contact: Terri Lesser at tlesser@hotmail.com

SPUTUM BOWL

The Sputum Bowl will take place on Wednesday evening in conjunction with the Welcome Reception. The Sputum Bowl is open to all students and practitioners and teams usually consist of 3-4 members. The mood is lighthearted and you will amaze yourself with how much you know and how much you have forgotten! Join the teams or come as a spectator, it's a great time to be had by all! The Team application form is located at the end of the brochure.

REGISTRATION

Advance registration is encouraged to avoid lines at the door and to receive the early bird discount. Please fill out the registration form and send it to the address listed. Advance registration must be postmarked by April 26, 2006.

CANCELLATION POLICY

A full refund will be granted to those requesting a refund prior to April 26, 2006. A cancellation received after April 26, 2006 will be subject to a \$30.00 processing fee.

EXHIBITS

The Racetrack "Pit" will be open from 1630 to 1830. Tune-up refreshments will be provided along with drawings for door prizes. The KRCS provided grand prize is registration at the 2006 AARC International Congress in Las Vegas or your choice of 2006 KRCS sponsored state meetings. You must be present to win the door prizes. You will also have the opportunity to participate in a separate raffle with all proceeds going to the Russ Babb Education Scholarship Fund. Admission requires your seminar nametag or a \$25.00 fee.

DANCE

The day is not over yet. Rev up your engines and attend the evening entertainment provided by DJ Ken Doll of Neon Vibrations and graciously sponsored by Stormont-Vail HealthCare in Topeka KS. Ken uses the latest professional & electronic equipment along with music for all and a little karaoke too. Soft drinks and beer will be provided as long as quantities last. A cash bar will be available but you must be 21 years of age to drink alcoholic beverages. Proof of age will be required, with no exceptions.

ACKNOWLEDGEMENTS

The KRCS wishes to extend its appreciation to the following companies for their support of this seminar:
