

“Recipe For Success”
31st Annual KRCS Spring Educational Seminar
Capitol Plaza Hotel, Topeka, Kansas
April 9-11, 2008

The recipe for success is simple. Start with unbridled enthusiasm, add a few hundred pounds of creative talent and mix briskly with outstanding service. Add the secret ingredient and simmer to make the perfect respiratory therapist! What is the secret ingredient? Why knowing how to have fun while getting the job done of course!

We want to welcome all you Chef’s of Respiratory Therapy and provide you with recipes and ingredients for your professional cookbook. The 31st Annual KRCS Spring Educational Seminar faculty is made up of notable Master Chefs who will provide key ingredients for your recipe for success including motivation, knowledge, and maybe even a sprinkling of advice from those that have already succeeded in achieving a prosperous career in respiratory therapy.

So let’s start with a dash of face-to-face instruction, a pinch of training, and a sprinkle of knowledge. Cook at a moderate level, stir things up occasionally, and with just the right blend we will come up with a delicious combination. And if it is just right, others will want to share the recipe and enjoy the taste of success too! “Cooking” together is a fantastic way of getting to know your friends and a great way to bond with your colleagues.

Oh yes, we need you to bring a favorite real food or drink recipe with you, we will tell you why when you get here!!

Let’s Get Cooking!!

2008 Education Committee
Julia Downs and Brandee Clark, Co-Chairs

Suzanne Bollig
Mark Brady
Judy Lesiak
Terri Lesser

Pat Munzer
Karen Schell
Rusty Taylor
Christie Wedeking

OBJECTIVES

Upon completion of this seminar, the participant will be able to:

- Describe the role and purpose of the respiratory therapist in the current health care system.
- Identify new respiratory pharmacological agents.
- Identify and safeguard hospitalized patients with suspected or diagnosed sleep apnea.
- Be educated in our role as respiratory therapists in the disaster response and the opportunities in the response field
- Orient the listener to the complexities of critical care transport teams and apply those concepts to a real world disaster
- Review HFOV application and technical details as they pertain to the management of adult ALI/ARDS.
- Understand physiology of dyspneic patients symptoms.
- Describe what's new and innovative in the world of diagnostic bronchoscopy.
- Describe why Plan 435 and PACT is so important in their career.
- Describe the new recommendations for resuscitation.
- Identify how TTAV is different from other self-breathing systems and discuss the potential benefits of TTAV.
- Explain the effect of HFPPV on pulmonary vascular resistance, cardiac output and stroke volume as compared to conventional ventilation.
- Understand Polio disease and Post-Polio Sequela

PROGRAM

Wednesday April 9, 2008

HOTEL

A block of rooms has been reserved for KRCS at \$92.00 per night, plus tax at the Capitol Plaza Hotel, 1717 SW Topeka Blvd, Topeka Kansas. Please state you are attending the KRCS conference to get the discounted rate. Unused rooms will be released after 3/18/08. RESERVE NOW!!

Call 785-431-7200 for reservations.

GOLF TOURNAMENT

April 9th 10:00 tee times starting at 10:30. Western Hills Golf Course, 8533 SW 21st, Topeka, KS. 18 holes of golf, golf cart and lunch provided. Cost \$55.00. Call Terri at 785-221-1297 or e-mail your teams to tllessor@hotmail.com.

SPUTUM BOWL

The Sputum Bowl will take place on Wednesday evening at 1900 in conjunction with the Welcome Reception. The Sputum Bowl is open to all students and practitioners and teams usually consist of 3-4 members. The mood is lighthearted and you will amaze yourself with how much you know and how much you have forgotten! Join the teams or come as a spectator, it's a great time to be had by all! The Team application form is located at the end of the brochure.

REGISTRATION

Advance registration is encouraged to avoid lines at the door and to receive the early bird discount. Please fill out the registration form and send it to the address listed. Advance registration must be postmarked by March 31, 2008.

CANCELLATION POLICY

A full refund will be granted to those requesting a refund prior to March 31, 2008. A cancellation received after March 31, 2008 will be subject to a \$30.00 processing fee.

EXHIBITS

The Mega Recipe Box will be open from 1630 to 1830 on Thursday. Refreshments will be provided along with drawings for door prizes. The KRCS provided grand prize is registration at the 2008 AARC International Congress in Anaheim California or your choice of a 2009 KRCS sponsored state meeting. You must be present to win the door prizes. You will also have the opportunity to participate in a separate raffle with all proceeds going to the Russ Babb Education Scholarship Fund. Admission requires your seminar nametag or a \$25.00 fee. ID will be required of all who partake in alcoholic beverages. NO EXCEPTIONS.

ACKNOWLEDGEMENTS

The KRCS wishes to extend its appreciation to the following companies for their support of this seminar:

Bemes, Inc.
AARC
Respironics
Advanced Circulatory Systems

Due to printing deadlines, some organizations may not be recognized. Please accept our apologies and know that your continued support is graciously appreciated.
