ASTHMA EDUCATION

Maridee Jones RRT, RN, ARNP

Ms. Jones is an ARNP with Preferred Medical Associates/Pulmonary in Wichita, Kansas with Dr. John Flesher and Dr. Maged El-Zein.

Objective:

Discuss the diagnosis criteria for asthma.
 Classify asthma severity according to the NHLBI guidelines.
 Recommend treatment for the asthma based on severity classification and NHLBI guidelines.
 List and discuss the components of an effective asthma education program.
 Apply knowledge learned to case studies presented as a part of the program.

Purpose:

This program is designed to give the participant a taste of the actual 2 day Asthma Educator Course. It consists of 4 of the key courses in the program and should provide an evaluation tool for deciding to complete the entire program at some point in the future.

It is open to any individual with an interest in Asthma, or those providing direct patient care. The cost of the program is \$0.00 but we ask if you register for one of the 100 spaces that you participate as registered.
