44TH ANNUAL KANSAS RESPIRATORY CARE
EDUCATION SEMINAR
APRIL 10-11, 2024
MARK ARTS 1307 N ROCK RD, WICHITA
KANSAS

On behalf of the Kansas Respiratory Care Society's seminar committee and the Board of Directors, we are pleased to invite you to participate as an exhibitor at the annual KRCS Education Seminar. Our dates and venue for this year's event are April 10–11, 2024. A great venue in Wichita, Kansas, will be our backdrop for the seminar: Mark Arts Art Gallery and Event Center at 1307 N. Rock Road. This seminar is an excellent opportunity for companies to interact with department directors, educators, and therapists from throughout the state of Kansas.

We at the KRCS understand the medical device industry has become increasingly regulated, and marketing funds come under greater external and internal scrutiny for maximum effectiveness. We have assembled an event that we are sure you will both want to attend and will be proud to do so. We are sure to have a sponsorship package that fits your budget AND is sure to get you the contacts you desire. Below, we outline the opportunities for what we feel will be the best state seminar ever offered! If you have any questions, comments, or concerns, please feel free to call or email us anytime.
